

Dear Patrons,

The Heritage Coffee Company family is closely monitoring the COVID-19 pandemic and we have adapted and enhanced already strict sanitation standards and safety measures as we look to protect the health and safety of the public and our associates.

Our team shall ensure to stay up-to-date with the latest from the Ministry of Health and other credible public healthcare institutions including the World Health Organization and take the necessary action required.

Please be advised that all our CafePAP branches will remain open to serve you including scaled up delivery system!

Our management team shall ensure that all CafePAP associates put into practice the importance of health and hygiene standards, by reinforcing stringent handwashing, hand sanitization and cleaning protocols. Frequent restaurant cleaning and sanitization of high-touch areas has been prioritized.

The health and safety of our customers, suppliers, associates and the communities we serve is always a top priority, and we shall continue to communicate on our website and through social media as we receive further developments.

On behalf of CafePAP, I thank you for your continued commitment to our products.

We are in this TOGETHER and we shall come out of this global pandemic STRONGER.
